

Features

- IP67 design for indoor or outdoor installation
- Protections: Short circuit/over load/over voltage/over temperature
- Built-in active PFC function
- Cooling by free air convection
- High reliability
- 180 – 305Vac
- Suitable for LED lighting and moving sign applications
- 3 Year warranty

Model	EPE100-12VLP	EPE100-24VLP
Constant Output Current	12V	24V
Load	0-100W	
Max Output Current	8.33A	4.2A
PF	>0.95	
Max Ta	60°C	
Max TC	90°C	
Safety standards	EN61347-1, EN61347-2-13	
EMC Emission & EMC Immunity	EN55015, FCC Part 15B, EN61000-4-2,3,4,5,6,8,11; EN55024; EN61547	
Dimensions	212 x 46 x 38.3	
IP Rating	IP67
